

Cicada Scavenger Hunt

Cicadas are a miracle of nature! This special event only happens in this part of the world. They have waited 17 years to see you! Have fun on your adventure and make memories to last until you see Brood X again.

Find six of these cicadas in action and visit our nature center for your prize!

Nature Center open 9 am–3 pm Monday–Saturday except Wednesdays

- Listen to the cicada chorus around you.
How many do you think you hear? _____
- Hold a cicada or let one crawl on you.
- Count as many cicadas as you can in one minute.
How many did you count? _____
- Locate a tree with 25 or more cicadas on it.
- Look closely at a cicada, what color are its eyes? _____
- Find a tree, how many exit holes are in the ground around it? _____
- Take a photo of a cicada and share it with someone you love.
- Create nature art using cicada exoskeletons (shells).
